Treaty between the Republic of Kosovo and the Kingdom of Denmark for the use of the Correctional Institution in Gjilan

The treaty on the use of the Correctional Institution in Gjilan, for the purposes of executing Danish sentences was signed on April 26, 2022. The treaty establishes the basis of a broad and beneficial cooperation for both countries in the field of correctional services, investments in renewable energy in Kosovo through donations to the Ministry of Economy as well as projects or programs in the field of rule of law, democracy and human rights in Kosovo.

This process was preceded by the Letters of Intent signed on December 20, 2021 between the Government of the Republic of Kosovo and the Government of the Kingdom of Denmark for cooperation in various areas of common interest.

The Ministry of Finance and Transfers has signed the Partnership Agreement with the Ministry for Development Cooperation of Denmark for investments in renewable energy in Kosovo through donations to the Ministry of Economy as well as projects or programs in the field of rule of law, democracy and human rights in Kosovo.

As for the Partnership Framework with the Government of Denmark, the same was signed in early February 2023 by the Ministry of Finance of the Republic of Kosovo and the Ministry for Development Cooperation of Denmark.

The Framework Partnership Agreement must also be signed by a representative of EBRD, as their signature is a required part of the framework to show that they have read and agree with the Partnership Framework. After its signing by EBRD, the agreement is ready to be sent for ratification.

Upon confirmation and signing by EBRD of the Partnership Framework Agreement, the Draft Law on the Ratification of the Treaty is ready to be sent to the Government for approval and then be proceeded to the Assembly for ratification.

We are waiting for EBRD's confirmation and signature.
